

Dear Gregg Park Residents,

Over the past several years, Gregg Park has grown to almost full capacity and with this growth has come an increased concern over our safety and security. These are very important issues; therefore, we have developed a safety and security committee (SASC) to work on a variety of options to enhance the environment for the residents.

Enclosed you will find a survey developed by the SASC. This survey will enable our committee to see where our residents stand on many issues and help us prioritize our community's needs. We would appreciate you taking a few minutes to answer all of the questions.

There are many of you with ideas and suggestions to better the safety and security in Gregg Park and we appreciate the care and concern you have for the neighborhood. By filling out this survey you are showing your continued support to help our committee, along with the GP board, make positive changes in our community.

Please return this survey by December 22. Should you have any questions concerning this survey, please call Margo Orlandini at 787-0730 or email [mtezza@sc.rr.com](mailto:mtezza@sc.rr.com).

Thanks you,

Margo Orlandini
